1. Apologies

Mark, Dilbert, Linda, Katie, Gareth, Susan.
Helen for saying Fuck
Andy apologies for himself
Fran apologies for lots of things.

2. Acceptance of Agenda

The agenda was accepted.

3. Acceptance of previous AGM's minutes.

There was a long discussion on the passage claiming Ray owns a Red Light District. Rachel claims Ray runs many, and this passage should remain in as it is funny. It was concluded that Ray is a lesbian but doesn't run a red light district.

Pete claims he can't remember the previous AGM.

A vote of thanks is given to Andy for organising the Rally. The thanks decays into everyone slapping desks then each other.

Rachel distracts everyone because she is an alkyfrolic and Pete has bough some to AGM.

The minutes are accepted, with the amendment that Ray doesn't run a Red Light District but is a Lesbian.

4. President's report.

Pete says it has been a good year, with lots of people turning up. The text messaging people worked very well. Pete also declares that he has been a shit president. Helen claims this is due to bad time management.

Pete continues with his report, saying the Rally (Loughborough) was fucking cold. Helen comments she wasn't cold as she stayed in her tent with Rachel and Mark.
Pete thanks the rest of the committee.

5. Treasurer's report

Fran interrupts treasurer's report to tell Fraser his hand writing is like a 5 year olds.

Rachel says although she too has bad time management this year the society managed to get lots of money, mainly by asking the university of £2500.

Becky then interrupts report to comment Fraser has stubble. Rachel regains control by telling Fraser to shut up.

£315 was received in grant, although there is currently £260.46 left to spend. The social account stands at £68.45. It is planned to reimburse some people for transport to the Leeds rally. Rachel concludes saying we are loaded.

SSaGO Rep report.

Becky says she has motivated many people to go to Rally's and collected the money, while avoiding actually attending the Rally's.

She then reports that's Sue pulled Daniel from B'ham, and Helen got onto the SSaGO exec. Susan has texted everyone, and made the Christmas meal memorable. Becky also got it on with Ross.

It was commented Chris never cums without Leah.

Secretary's Report

(written in legible writing, which includes whole words.) Fraser says he has done nothing except taking the minutes (very badly) and giving everyone food poisoning at the rally. Fran and Helen complain about not being Fed, to which Fraser told them to Piss off. The report breaks down into everyone shouting gossip; Andy saw Marcia the other day,(oooooooo). Fraser wants to shag susan, Fraser still has a girlfriend and they are sexually active. Fran want to sleep with the secretary.

Vice Presidents Report.

We have lots of equipment including; 7 buckets, 10 broom handles, lots of gold card, no porn, washing up spray, frying pan, a big bowl, Fraser's knife, a first aid kit, 4 harnesses (and some other illegible climbing equipment looks like Frab and ATC) and a map. Rachel points out that we also have 2 board games. The rest of the equipment was not recorded as Fran was told to stop as Fraser was running out of Paper.

Fran then reported what she has done during the year. Included sleeping with people, setting the burglar alarm off and driving around with Jeremy. She also saw 2 people going for a piss. She further comments that Jeremy's middle name is Fran.

Fran apparently ran round naked like a crazy girl. At this point Simon yawns. Fran says she tried to pair her sister up with Graham.

The meeting for some reason becomes a huge argument (at least 15 minutes) on 'is Anna a palindrome' A vote is taken and 12 people vote yes, 1 no and there is 1 person abstains.

Both candidates impersonate a duck, well.

Fran campaigns for Mark (In student elections). Repeating Marks name 4 times.

Simon says his singing skills and Rachel says she can impersonate Dilbert.

Becky states her disgust at the duck and comments that she want a dildo as a mascot.

Sue – proposed by Fran 2nd by Becky.

Rachel – proposed by Helen 2nd by Fraser.

A description of the SSaGO rep's job is given as forms links with other clubs. Rachel interrupts to demand more food .

The candidates are asked if they are willing to pull anyone from every club. Rachel says no, Sue says yes after considering. Sue states she will not pull Helmet but will be willing to pull 6 people a Rally. Rachel's says she will not pull more than one a rally. It is claimed Rachel has pulled someone, but no one will say who. Becky asks whether it was a boy or a girl. Fraser nearly falls off his chair, Rachel asks to move on.

Sue is voted in.

It is stated Fraser us a loser.

A.O.B

Susan thinks she has pulled Andy and has told everyone. Pete has pulled Susan but can't remember. Pete has not been going out with Purvi for a long time.

The conversation drifts back to the debate over who Rachel has pulled. Rachel claims she has never pulled anyone, Helen says it's Gareth.

Becky asks if the club can have a Dildo as a mascot, Rachel seconds this. It is thought there may be some problems with the handover of a dildo. Fran says it is rude.

The meeting is ended by secluding handover meal for the following week.

(These minutes were interpreted by Janet Mason in 2005, due to Fraser losing them and generally not being able to write!)

Post meeting – objections to minutes

Pete wishes to inform people the information he has never pulled Susan and would remember if he had!
